Being very passionate and curious about learning technologies I am constantly trying to acquire new skills and techniques. I am looking forward to work for a company where I can utilize my skillset to the fullest and have the opportunity to learn and grow with the company.

EDUCATION

University of Engineering & Management, Kolkata   (**MCA** - pursuing)

Annex College of Management Studies, Kolkata   (**BCA (78%)** – Graduated in 2020)

Army Public School, Kolkata   (**10+2** with)

SKILLS

| C | Java | HTML5 | CSS3 | JavaScript | WordPress | Git | SQL |

PROJECTS *(hyperlinks)*

- Ultimate Pig Game (Dice Game)
  A simple JavaScript based Dice game where 2 player can play together. I implemented the basic concepts like event handling and DRY.

- Image Encrypter and Decrypter
  A Java based Image Encrypter and Decrypter that works with a specific key value. XOR Decryption is used for encrypting and decrypting the Image.

- Drum Kit
  A fun drum kit site that takes key input from keyboard and plays a specific audio mapped with that key.

- Counter Web App
  A simple Web app to counter to increase or decrease the number and a SAVE button to save all the occurrences.
